

The Credit Union i-plex is home to numerous organizations including the Swift Current Broncos of the Western Hockey League and the Swift Current Legionnaires of the Saskatchewan Midget AAA Hockey League. The i-plex has played host to many events including Western AAA Midget Girls hockey, curling tours such as the Scotties tournament, and also a variety of adult and youth recreational groups. Many entertainment attractions are held in the Credit Union i-plex each year, ranging from the circus, to weddings, graduations, rodeos, trade shows, conventions, and concerts.

The new expansion project of the Credit Union i-plex, which was completed in 2008, included many new and improved facilities which are available for rental. These additions included 6 sheets of curling ice accompanied by change rooms and washrooms, a social hall made up of both the auditorium and the upper level curling lounge, with folding partition between the two rooms, new concession area serving both hockey and curling functions, parking lot expansion with curbs, sidewalks, and lighting, and new upper and lower level building entries.
