Fire Department Receives Provincial Grant to Celebrate Centennial

The Swift Current Fire Department is pleased to announce they will receive a \$2,500 provincial grant to mark its centennial this year. An application was made under the “*Building Pride*” Program, which supports initiatives to preserve Saskatchewan’s cultural and collective memory, and leave a legacy for future generations to enjoy.

The Fire Department has been proudly serving Swift Current since 1910, and they will celebrate this milestone with two events: an Open House on April 23 at the Fire Hall, and a Gala Dinner/Dance on April 24 at the Living Sky Casino. The grant money will be used to help fund these celebratory events, and citizens are invited to attend.

More information may be obtained by calling the Fire Hall at 306-778-2760.
